WestJet and Shoppers Drug Mart help to Grow Women's Health

Shoppers Drug Mart's Growing Women's Health campaign raised \$32,495 last fall for the Fort St. John Hospital Foundation's Eastern Star Children's Fund. Contributions from hundreds of donors helped to raise the funds which will support the purchase of medical equipment for babies, children, and expecting mothers.

WestJet donated two flight vouchers to a raffle in September that raised \$6,800 for the campaign. They then donated another two flight vouchers that were raffled off in a draw in October that raised an additional \$9,480 for the campaign. Congratulations to September raffle-winner Angie Wright and October raffle-winner Sheena Shuster.

Shoppers Drug Mart District Manager, Dale Bobby; WestJet Station Manager, Wayne Davidson; Shoppers Drug Mart FSJ Store Owner, Irvin Tang; Shoppers Drug Mart FSJ Manager, Tammy Koponyas; present Hospital Foundation Chief Development Officer Jessica Kalman with a cheque for \$32,495

Banking on Success

The Fort St. John Hospital is now home to an ATM machine to service staff, patients and anyone who needs access to their funds while at the Hospital. While there is a fee associated with the withdraws, you can do it knowing you are helping the Foundation to achieve our mandate of enhancing patient care and comfort at the Fort St. John Hospital and Peace Villa, as 50% of the service fees will be donated back to the Foundation. We are very excited and thankful to have received the first quarterly donation of over \$500!!

Farewell and well wishes to Gord Klassen

The Fort St. John Hospital Foundation would like to acknowledge the work Gord Klassen has made to the organization. Gord has recently decided to leave the Foundation. The Foundation would like to wish Gord and his family well now and into the future, and thank him for his dedication and professional contribution to the Foundation over the time he was with us as the Executive Director.

*~ Sincerely Chris Maundrell
Chairperson Fort St. John Hospital
Foundation*
