Saturday, November 2, 2019
Pomeroy Hotel & Conference Centre

PRESENTED BY: **PEMBINA**

AUCTION DONATIONS

We are currently seeking live and silent auction items and raffle prizes big and small. If you would like to donate, but don't know where to start, give us a call!

For more information, please contact Sydney Reid by phone at 250-261-7564 or email at sydney.reid@northernhealth.ca

Did You Know? The Fort St. John Hospital performed over 700 gastroscopes in 2018?

The surgical unit can see upwards of 2000 patients for colonoscopy and gastroscopy procedures in a year.

Earlier this summer a new Gastroscopy was brought to the surgical floor thanks to a generous donation from John and Marilynne Herron. Surgeons can take pictures or video of the large intestine to detect abnormalities and disease. This examination is performed using a flexible fiberoptic tube with a tiny TV camera at the end. The scope not only allows diagnosis of gastrointestinal (GI) disease but treatment as well. The camera is connected to either an eyepiece or a video screen that displays the images on a color TV.

Rockne Patterson and Canbriam staff present Sydney Reid with a \$900 donation to the Foundation

FRIENDS OF THE FOUNDATION

Time and time again we are humbled by the community. Rockne Patterson and his team at Canbriam Energy have continuously supported the Foundation. Through an employee 50/50 and golf tournament, they raised \$900 for the Foundation. We're always excited to receive a call from friends.

YOUNG PEOPLE SPOTLIGHT

This summer an amazing group of students from the Energetic Learning Campus NPSS organized and ran a golf tournament as a part of their Project Based Learning Program.

Vice President Lori Coulter explained the community based projects bring awareness to the students and allows them to discover how they can make an impact in their own neighborhood.

We look forward to see the future impact that Colton Dyck, Jenna Miranda, Timber Wuthrich, and Mackenzie Gordon will have on our community.

Former ELC Students present Niki Hedges with over \$4900 from their Golf Tournament Fundraiser

We listen to our donors by giving options to reduce printing and postage costs wherever possible.

CHECK THE MAIL

Keep your eyes out for the Annual Mail Campaign which should be arriving next week. We have made some changes to the look of the letter to be mindful of the environment and the overall impact of the Foundation. If you would like an extra letter for your place of work or to send to family and friends, stop by our office to pick up extra copies.

If your letter does not arrive before Thanksgiving, or you want to receive your copy next year, please contact our office to confirm your information on file.
