## HAILEY JETS OFF

On October 11th, Shoppers Drug Mart & WestJet partnered with us for the Annual Shoppers WestJet Raffle. We SOLD OUT in record time this year and would like to congratulate Hailey T for winning two round trip tickets to anywhere WestJet flies.

In total, we raised \$10,000 in one day! Thank you Fort St. John!

*"Being a director on the board of the FSJ hospital foundation was an enjoyable challenge for me. Raising funds to provide up to date equipment that enhances the care of patients in our community has been an honour and more than satisfying. I will continue as a Foundation volunteer and of course maintain our popsicle freezer for anyone getting lab tests in the hospital."*

## THANK YOU DEB BUTLER

We say goodbye to Deborah Butler who has been with the Foundation as a Board Director since 2013. She was also on the CT Scan fundraising committee. Deborah and her husband Mike moved to the region in 1973 from Vancouver Island. They settled down to raise their family of four children on a farm in Rose Prairie. Gradually they built up their home and cattle facilities and they have been ranching ever since. Besides being involved with various business opportunities, Deb has undertaken a variety of writing and musical projects. We thank Deborah for her contributions, we appreciate your wise counsel and patient advice. Our achievements would not have been possible without her many contributions.

At the beginning of October, our Annual Mail Campaign began to land on donor's door steps. In past we have seen upwards of \$50,000 donated through these means. We have already received over 50 mail-outs returned with donations. If you have not receive a letter, stop by our office or your medical clinic to pick one up. We would like to send a thank you to the team at Kal Tire for their support. They saw the value of this campaign and came on board to help alleviate some of the campaign expenses.

## PEMBINA PARTNERSHIP

Following the great success of last year's radiothon, the team at Pembina Pipeline Corp. wanted to expand their involvement with the Foundation during our 25th year. We are beyond excited to share that Pembina has come on board to match the funds raised at the radiothon, up to \$20,000. As well they have join the festivities as the presenting sponsor of our Be An Angel Gala on November 2nd for an overall donation of \$30,000.

Through their community investment program, Pembina honours the relationships within the communities that they live, work and play.

## HUSKIES STICK IT TO CANCER

On October 18th the Fort St. John Huskies hosted their 3rd Annual Stick it to Cancer fundraiser. With bake sales, draws, a prize wheel and tons of pink around the rink; a total of \$1336 was raised for our Cancer Diagnostic and Treatment Fund.

Join us on Nov 30th as the Huskies host a Teddy Bear toss with a portion of the proceeds being donated to the Foundation.

We listen to our donors by giving options to reduce printing and postage costs wherever possible.
